

DIARY NOTES

25X1A

DD/S

27 May 1957

25X1A9a

1. [REDACTED] telephoned to say that the Director's car had broken down on Saturday. In this connection I talked to [REDACTED] who said that it had been repaired. I also gave him permission to send Security and Communications men to the factory to see if the modifications to the Director's new car could be made while it is on the production line. 25X1A9a
